CGS Window

This screenshot shows a software application window. At the top, there's a search bar labeled 'Search Type' with the value '1202'. Below it is a 'Search' button. Handwritten numbers '1201' and '1202' are written near these controls. Underneath, there's a section titled 'Quick List' containing 'Booking #' and 'Container #' fields, both filled with their respective values. A window titled 'CGS Window' is partially visible in the background.

1203 1204 Track Container 1205 Customize Booking

This screenshot shows a web-based booking search interface. At the top, there's a circular "One Click Tracking" logo. Below it is a search bar with placeholder text. Underneath the search bar are several buttons and dropdown menus. A main search result is displayed, showing a booking entry with fields for Details (USNWK-Jul/09-1), CMA/CGM, and Requested Booking. At the bottom of the search result, there are two prominent buttons: "Track Container" and "Customize Booking". Handwritten numbers 1203, 1204, and 1205 are written next to these buttons respectively. The entire interface is framed by a thick black border.
